**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In regards to internet providers, I strongly feel that we need more competition, not less! I need broadband for my home and it is essential for my home-based business.

I do not believe that I should be subject to price increases in order to give large corporations more profits.

I feel that companies like SONIC are essential for providing local service for people like myself.

Thank you for your consideration,

Mitsi Hughes
